MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Definitive Contract No. FF-300 with the Hughes Tool Company, Aircraft Division, Culver City, California, Project [REDACTED] (CHAMPION)

25X1

1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in Paragraph 6.

2. Contract No. FF-300 is the Definitive Contract contemplated by Letter Contract No. FF-300, dated 22 June 1958 between the Agency and the subject Contractor. This contract is on a Cost-Plus-a-Fixed-Fee basis and covers the feasibility studies and tests of a liquid rocket propulsion system. The letter contract is completely superseded by this Definitive Contract.

3. No additional funds are being obligated by this Definitive Contract No. FF-300. A total of [REDACTED] chargeable to Fiscal Year 1958, Project CHAMPION funds was previously obligated under the Letter Contract.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The accounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
